

STORM PREPAREDNESS

**JEFFERSON
COUNTY
LONG TERM
RECOVERY
GROUP** 

Help Your Neighbor

If you have a friend or neighbor that is:

- disabled
- medically fragile
- has limited mobility
- has communication barriers
- requires transportation or personal care assistance but doesn't have it

Help them register with **STEAR**

For STEAR Info: Go back to our "Prepare" page and look for the dark blue box in the upper left under STAN.

Help vulnerable neighbors prepare

Offer to pick up supplies that a vulnerable neighbor might need to remain comfortable during an extended power outage but cannot obtain themselves, or share yours.

You may want to ask a vulnerable neighbor questions, such as:
Do you have enough medicine to last a week?
Do you have enough water, bread and other non-perishable food items to last a week?

Help vulnerable neighbors evacuate

If an evacuation is ordered, make sure your vulnerable neighbors are able to drive on their own and have a safe place to go.
If they don't:

Help them get to a county evacuation pick-up site or a shelter before the storm arrives.

Check in with vulnerable neighbors once the storm is over

Exchange contact information with a vulnerable neighbor so you can reach them and they can reach you. Keep in touch before, during and after the storm.
